

IGNITE POTENTIAL THROUGH ONE-TIME GIVING OPPORTUNITIES

CAREER DAY

This memorable workplace experience is centered around career readiness and industry exposure for youth in our program. Engage your employees while offering a behind-the-scenes look at your organization through panel discussions, workplace tours and more. The customizable one-hour event is planned and facilitated by our team.

MATCH ACTIVITIES

Make a direct impact through engagement activities that help matches to strengthen their relationship while having fun. Two flexible options include sponsoring your own unique activity or underwriting one of our annual match events like the Bright Futures Brunch.

THIRD-PARTY EVENTS

Third-party fundraisers planned and hosted by our partners are an impactful way to maximize your gift to Big Brothers Big Sisters. Fundraising options are endless — golf tournaments, shopping fundraisers, happy hours, benefit concerts and more! We encourage you to be creative and tailor your event to what works best for your customers or employees.

DONATION DRIVES

Whether you provide backpacks and school supplies or sponsor wish lists for kids for our annual holiday gift drive, you are helping to spread joy and warmth for our families that struggle to make ends meet.

EVENT OR CAMPAIGN SPONSORSHIPS

We offer turnkey sponsorships that align your organization with our mission to ignite the power and promise of youth. Packages include brand awareness and attendance at events like the annual golf tournament, Gourmet Dinner and Bowl for Kids' Sake, or visibility opportunities on campaigns such as National Mentoring Month.

BIG FOR A DAY

We'll match your employees one-on-one with youth on our wait list for an impactful afternoon of volunteering, fun and relationship-building.

*Big for a Day events are currently on hold, but please inquire for future opportunities
